

Current Status and Future Plans

My name is Samuel Enyan, an alumni of the JEQ foundation. I completed my bachelor's degree in Economics at Kwame Nkrumah University of Science and Technology (KNUST), and was a teaching and research assistant at my department.

I am currently pursuing my master's degree in Economics (MPhil Economics) at the National Research University, Higher School of Economics (HSE) in Moscow, Russia.

I am motivated by a conviction in the value of generosity and giving back to one's community in both my personal and professional life. I feel that the actual meaning of life is found in bringing happiness to others while still pursuing your own goals.

In keeping up with this, my immediate goal after earning my master's degree is to seek a Ph.D. in Economics. This I feel will help me achieve my goals.
