

## JEQ FOUNDATION SIGNS MOU WITH THE ADUMOSS ENGINEERING GHANA LTD.

The Co-Founder of the JEQ Foundation, Dr. Joseph Quansah signed a Memorandum of Understanding (MOU) with the Adumoss Engineering Ghana Ltd in Anaji, Ghana on August 16, 2022. This partnership agreement formalizes a mutual goal of providing scholarship to excellent but needy college/university students in Ghana, West Africa. As part of the MOU, Adumoss Engineering Ghana Ltd will sponsor two(2) students with scholarships throughout their undergraduate education and also offer internship opportunities for some of the JEQ Foundation's scholarship recipients in Ghana.

Present at the ceremony were: Dr. Joseph E. Quansah, Co-Founder and Co-President, JEQ Foundation, USA, Mr. Kwadwo Yeboah, Chief Executive Officer & Principal Engineer at Adumoss Engineering, Mrs. Christina Blankson, Board Member and representative for Western, Central and Regions, JEQ Foundation, Mr. William Buckman, Director of Operations, Adumoss Engineering and Mr. J.K. Mensah, General Manager, Adumoss Engineering Ghana Ltd.
