**CURRENT AND FUTURE PLANS**

I am happy and full of gratitude to inform you that with the support provided to me by the foundation, I have successfully completed my four-year bachelor studies and I am currently undertaking my mandatory National Service. I am working at the Department of History and Political Studies, KNUST as a Teaching and Research Assistant with Prof. Edward Brenya (Head of the Department).

I wish and desire to continue with post-graduate studies after my mandatory National Service and continue developing myself in any way possible with every opportunity I get in order to be relevant wherever I find myself and by so doing give back to the community.

Thank you.
